

# IT'S LIKE HAVING YOUR NAME TATTOOED ON A SUPERMODEL.

Being a brand synonymous with superior quality and innovation, Castrol seemed like the logical choice for 5 of the most elite tuners in North America to sponsor the Pontiac Solstice Project. We gave them carte blanche to use only the best parts from the best materials, allowing them to create a true masterpiece. Six long months, and hundreds of obsessive man-hours later, the product of their collective infatuation was unveiled. Let's just say we're glad the tattoo is permanent.

IT'S MORE THAN JUST OIL. IT'S LIQUID ENGINEERING.
